Subject: Re: Milla Martinique Status

Hi Paul,

We have cleared Milla Martinique as being rehabed and the pond was built long before I was here and at least part of the pond is on state land. So the BLM has not treated the pond as part of Milla Martinique and as far as we are concerned the file can be closed.

I was out with Lynn Kunzler yesterday and he told me that Susan was no longer in the minerals program. I hope it is nothing dire.
